

Nepean Minor Hockey – 2017-2018 Competitive Hockey Supplement

Nepean Minor Hockey offers competitive teams at AA, A, and B, depending on age levels.

Pee Wee and Bantam AAA hockey is offered by the Ottawa Senators AAA organization. More information on AAA tryouts can be obtained from [the Ottawa Senators AAA web site \(www.ottawasenatorsaaa.ca\)](http://www.ottawasenatorsaaa.ca).

Midget AAA hockey is offered by the HEO Midget AAA League and information on its tryouts can be found at [the League web site \(www.heomidgetaaaleague.ca\)](http://www.heomidgetaaaleague.ca).

Please note the following sources of information about the NMHA and its registration process.

[Hockey Office Location and Hours \(http://www.nepeanhockey.on.ca/hockey-office\)](http://www.nepeanhockey.on.ca/hockey-office)

[NMHA General Registration Information \(http://www.nepeanhockey.on.ca/registration\)](http://www.nepeanhockey.on.ca/registration)

Players trying out for Junior or AAA

AAA hockey hopefuls must register with the NMHA to be eligible for AAA tryouts.

Junior hopefuls should reserve a registered spot with the NMHA, should they be released by a Junior team.

To guarantee registration, AAA and Junior hopefuls may register by paying a \$25 non-refundable deposit.

Players released back to Nepean from Junior or AAA must pay the remainder of their fees before attending any NMHA on-ice activities.

Tryout Registration:

Players can register for tryouts while registering for hockey online or by registering in person at the NMHA Hockey Office. Payment is by credit card, debit card, or money order. Cheques are not accepted.

Tryout Refunds:

Players can withdraw from tryouts with a partial refund up to the day before tryouts begin. Tryouts require a commitment of time and ice resources on the part of the NMHA, so withdrawals after tryouts begin are not eligible for a refund. The refund will be subject to an administration fee of 10%.

Tryout Schedules

Tryout ice and schedules will be communicated to participants in August of each season.
