

## **Raiders Team Apparel Policy**

The NMHA official logo is the only logo allowed on team clothing – jackets, track suits, hockey bags, garment bags, etc. The NMHA logo cannot be used in conjunction with a sponsor logo for team wear. Teams acquiring funds from a sponsor for team apparel may only include a sponsor logo on practice wear (practice jerseys) or other accessories such as toques, t-shirts, water bottles, etc.

If teams are uncertain whether an item of apparel falls into one of the above categories, please contact the NMHA President for confirmation.

All monies received from sponsors fall under the [Tournament Sponsorship Policy](#), available on the NMHA website. Funds received are to be reported on a [Tournament Sponsorship Agreement](#) and must also be included on the team budget. Sponsorship limits under this policy still apply:

- House League: \$2,500 per team (from all sources)
- Competitive: \$6,000 per team (from all sources)

### **Approved Suppliers:**

The Nepean Minor Hockey Association has approved suppliers who are able to provide team wear and accessories using the NMHA logo. All Nepean Minor Hockey teams must use one of these suppliers when ordering items with the NMHA logo.
